

# Charging Safety Rules

1. Charge in rooms with smoke detectors.
2. Charge when you are awake and present
3. Read and follow the manufacturer's instructions.
4. Use an original charger when possible
5. Charge on a fire-resistant surface
6. Do not charge in bed
7. Do not charge in a corridor or stairwell. You may need these as escape routes in case of fire
8. Replace damaged equipment
9. In case of sounds, smells or abnormal heat, stop charging
10. In case of a fire, call the fire service at 110.

Charging Safety Rules produced by the Norwegian Directorate for Civil Protection, Norwegian Fire Protection Association and the insurance company If.
